Marriott President Visit Courtyard Hershey

Hershey, Pennsylvania - Long time friend to Shaner and current President of U.S. & Canada Select Service and Extended Stay Lodging and Owner & Franchise Services, Liam Brown, was in Hershey, PA last week. While in town he took the opportunity to tour the beautiful new Courtyard Hershey Chocolate Avenue along with our very own Chairman and CEO, Lance Shaner. Both were gracious enough to meet with the team and stop for a quick photo during their tour. Everyone at the hotel was eager to show off their beautiful property.
